experience the innovation VENUS LEGACY™

"The treatment feels like a warm massage, so comfortable I almost fell asleep. After 6 months my abdomen and my legs still look amazing! I will be recommending the treatment."
 - Claudia

"After years of trying everything, I now have the confidence to get back into a two-piece swimsuit."
 - Julia

HOW IT WORKS

Venus Legacy™ delivers Multi-Polar Radio Frequency, Pulsed Electro Magnetic Fields and VariPulse Technology™ to the skin to produce a dense, uniform heat matrix, stimulating the body's natural healing response. (MP)² technology increases collagen synthesis without pain, resulting in a dramatic improvement to the skin.

VENUS TREATMENTS in the media

Sofia Vergara, Salma Hayek, and Cara Delevingne are just a few of the known celebrities who use Venus Treatments as part of their regular beauty routine. Their hectic schedules and constant exposure to the camera means that they must rely on safe treatments that deliver the best results quickly, and without any downtime.

You too can enjoy a red-carpet beauty treatment today. Ask your physician for more information about Venus Legacy™ treatments!
