

Registered Nurse Injectors (Part Time - Full Time):

Vive® Rejuvenation is a leading medical aesthetic clinic, providing high quality services in a professional, relaxing, safe and welcoming environment since 2007. We are located in the very popular Aspen Landing Shopping Centre in a beautiful, bright, newly designed modern space.

We are hiring **Cosmetic Nurse Injectors** to join our fabulous team who share our vision to provide an inviting and rewarding client experience. Led by an all-female medical staff, our team values quality, integrity and we ensure our clients enjoy an excellent “Vive Experience” with exceptional results every time they visit the clinic. This role presents an opportunity to join our highly skilled and experienced team who are fully committed to working with our clients to help them achieve their rejuvenation goals and realize their full potential.

As Vive® nurse injectors, the successful candidates have a passion for people and medical aesthetics. Working closely alongside our family physicians, laser clinicians and medical estheticians, they are professional in character, performance and expertise with a client-centered focus. They are caring, confident, skilled and mindful in designing the best match between the client’s vision and realistic outcomes.

Role Overview and Opportunities:

In partnership with and support from our Vive® physicians:

- Conduct comprehensive patient consultations, design personalized treatment plans and carry-out safe customized treatments.
- Deliver exceptional customer service through all interactions with a focus on building lasting relationships and elevating the client experience.
- Educate and provide solutions through product and service offerings that focus on meeting the client’s goals.
- Uphold a high standard of cleanliness, safety and organization of treatment rooms and all work areas.
- Follow, update and implement protocols and procedures to ensure safety and exceptional results.
- Participate in educational events and training opportunities for ongoing growth and development.

Qualifications:

- Registered Nurse in good standing with your provincial college.
- Minimum three (3) years’ experience as a cosmetic nurse injector.
- Experience with the Allergan portfolio of services and products.
- Proven ability to establish rapport and build relationships.
- Experience in conducting comprehensive client consultations on both a virtual and in-person platform.
- Knowledgeable about medical aesthetic laser procedures and medical grade skincare
- Experience with using professional before and after photography.
- Exceptional interpersonal skills with the ability to listen to and engage with all clients.

- A desire to be a team player in a fast paced and dynamic environment.
- Proven track record for setting and meeting goals.
- Able to prioritize and manage time efficiently.
- Attention to detail with patient confidentiality, medical information, safety, procedures and protocols.
- Proven initiative and solution-oriented mind-set.
- Strong verbal, computer and written communication skills.

We Offer:

- A competitive remuneration package with health benefits.
- A supportive and enriching work environment with opportunities for professional development.
- A bright, new, modern clinic in Aspen Landing Shopping Centre, a bustling, modern lifestyle centre filled with premiere shops and services in a distinctive, architecturally-perfected landscape in southwest Calgary.
- Free parking

Please Apply by Thursday, Sept. 10, 2020.
